

FULL DRESS REHEARSAL
Thursday, May 30th
1pm - 5pm
Make-up and costumes required

Please arrive at the high school at 12:30pm with your hair and make-up completed, find your assigned dressing room and get into your first costume. Dancers and parents need to sit with their class in the auditorium. This is the only opportunity the dancers have to watch the show. Costume moms and stage helpers will take each class backstage about three dances prior and line up the dancer in their correct order. After their dance is complete, all costume pieces need to be returned to each dancer's bag and into the assigned dressing room. We ask that your dancer stays through the entire dress rehearsal, as all dancers will participate in the finale at the end of the show. During the rehearsal, all parents need to help their dancer with shoes, costumes and accessories. During the evening of the show that you dance in, we have Costume Moms assigned to each class and they will assist your dancer.

The Dance Company's Competition Team Booster Club Parents will be selling food/drinks in the hallway during rehearsals. While we certainly appreciate your support, we ask that you enjoy your food/drink in the hallway, **not inside the auditorium**.

Video recording and flash photography are allowed during rehearsal times on Tuesday, Wednesday and Thursday. Absolutely NO video or flash photography during the Friday and Saturday evening performances. We have a professional company recording the show each night. You may purchase a DVD of the recital. Order forms are available online in the recital packet and during recital week rehearsals at GISH.

And now....(Drum roll please)
